Digital Humanities

- What is Digital Humanities?
 - What do you think of when you hear Digital Humanities or Digital History?
 - What are you interested in hearing more about?
- Significance of showing the value of scholarship by making the work public.
 - Digital Humanities is often associated with the Open Access movement and Public Humanities.
- Digital Humanities as both how you do research and how you present it.
 - Tools and technology having an impact on the scholarship.
 - Being critical about how you do work and how it is presented.

Example DH projects

- The American Soldier in World War II: <https://americansoldierww2.org>
- Mapping Inequality: Redlining in New Deal America: <https://dsl.richmond.edu/panorama/redlining/>
- Dangerous Harbor: <https://dangerousharbor.vt.domains>
- Early Modern Digital Itineraries: <https://emdigit.org>

Where to get started?

- Digital Humanities at the Library
 - Digital Scholarship Collaboration Hour, Mondays 12pm–1pm in the Athenaeum Collaboration room, Newman Library 126. (Day and time may change next semester)
 - Email us at dhlibsupport@vt.edu
 - Book a consultation at <https://calendar.lib.vt.edu/appointments>
- The Digital Humanities Research Guide: <https://guides.lib.vt.edu/dh>
 - **Resources:** Debates in the Digital Humanities <https://dhdebates.gc.cuny.edu/>
 - **Communities:** Organizations and online communities
 - **Tools:** DH tools and how to get help from the Library.

Tools

- Visualization
 - **KnightLab:** StoryMap <https://storymap.knightlab.com>
 - VT ArcGIS Online: <https://virginiatech.maps.arcgis.com>
- VT Domains: <https://vt.domains>
 - WordPress: DH@VT <https://dh.vt.domains>
 - Omeka: Colored Conventions: <https://coloredconventions.org>

How we can help

- Spring course: Hist 5444: Digital Historical Methods, Mondays 2–5pm
- Workshops: Library Events Page: <https://calendar.lib.vt.edu>
 - Let us know if there are specific workshops you would like to see.
